

**Behind the Scenes:
The Making of Avalon High: Coronation #1:
The Merlin Prophecy**

**First the artist read the novel
Avalon High and created character sketches. . . .**

Ellie

Will

Marco

Morgan

Then Meg wrote a script for the new story in the manga. . . .

NARRATION: Certainly Mr. Morton believes it. Just like he believes that Jennifer, Will's ex-girlfriend, couldn't help falling for Lance, Will's best friend—any more than Guinevere could help falling for Lancelot.

(ARTWORK: Show the police coming and taking Marco away while Mr. Morton and Jennifer and Lance and Ellie and Will stand there watching.)

The artist read Meg's script and turned it into a rough sketch, called a thumbnail . . .

**And, finally, after everyone had seen and approved it,
the final art was inked and the story was put in place!**

CERTAINLY MR. MORTON
BELIEVES IT.

JUST LIKE HE BELIEVES THAT JENNIFER, WILL'S EX-
GIRLFRIEND, COULDN'T HELP FALLING FOR LANCE,
WILL'S BEST FRIEND--ANY MORE THAN GUINEVERE
COULD HELP FALLING FOR LANCELOT...
